AUTHOR

PROFESSIONAL SPEAKER

INNOVATION COACH

FOUNDER

THE OPERA HOUSE

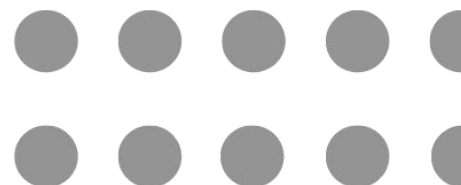

HARVARD UNIVERSITY

David is known for his ability to deliver inspiring and thought-provoking presentations that challenge audiences to think differently about innovation and product development. His keynotes and workshops are engaging and interactive, with a focus on real-world examples and case studies. David's message is relevant for entrepreneurs, executives, and organizations of all sizes and industries, and he illustrates concepts live on stage to leave attendees with concrete tools and techniques they can use to drive innovation and growth in their own businesses.

“His name might be Bland but this talk is very entertaining!”
- Dev-to-Dev Summit Attendee

“Really enjoying this amazing talk on Testing Business Ideas.”
-Mind the Product Conference Attendee
